4/4 Time

## INTRO:

**Bb/F** **F** **Bb/F** **F**  
**Bb/F** **F** **Bb/F** **F**

## VERSE:

**Bb/F** **F**  
Walkin' the nameless streets of some city  
**Bb/F** **F**  
Just gettin' lost can comfort a man  
**Bb/F** **F**  
With you and me disconnected  
**Eb/Bb** **Bb/AFsus4/G** **C7sus4** **F**  
I'm going to ground with no----- where to stand

## CHORUS:

**Eb** **Bb** **F**  
If I could fly, I'd ride with the lightning  
**Eb** **Bb** **F**  
Where I could touch you with barely a thought  
**Eb** **Bb** **Am** **Dm**  
In my rambling path between heaven and earth  
**Gm7add4**  
I could strike anywhere  
**Bbm6/C** **Bb/FF**  
But I'll find you wherever you are

**Bb/F** **F**

## VERSE:

**Bb/F** **F**  
Been aiming high without a direction  
**Bb/F** **F**  
Settling low, but hoping for more  
**Bb/F** **F**  
A victim of natural selection  
**Eb/Bb** **Bb/A** **Fsus4/G** **C7sus4** **F**  
Flying my kite and key in a storm

### CHORUS:

**Eb** **Bb** **F**  
If I could fly, I'd ride with the lightning  
**Eb** **Bb** **F**  
Where I could touch you with barely a thought  
**Eb** **Bb** **Am** **Dm**  
In my rambling path between heaven and earth  
**Gm7add4**  
I could strike anywhere  
**Bbm6/C** **Am7**  
But I'll find you wherever you are
